When You Support Avalon Sexual Assault Centre... You bring the Light After Dark

The important work done by Avalon Sexual Assault Centre would not be possible without financial support of financial partners and Friends of Avalon Sexual Assault Centre. Friends of Avalon are individual community members who volunteer and/or who donate financially to Avalon Centre.

When you become a Friend of Avalon Sexual Assault Centre, here are just some of the ways your financial contribution can support our work.

\$10.00: Purchases 10 teal ribbon lapel pins in support of sexual violence awareness and prevention.

\$15.00: The cost of phone and internet service for one day in support of our phone and on-line information, consultation, support, and referral service to clients, non offending parents, service providers, community partners, and the general public.

\$20.00: The cost of 20 zines – this little green booklet is full of information about acquaintance sexual assault, campus sexual assault, and alcohol and drug facilitated sexual violence. The zine is popular with youth and young adults and is widely distributed to schools, Youth Health Centres, university campuses, and to community groups who work with youth.

\$40.00: Contributes towards the cost of healthy snacks, supplies, and resources for one night of the Therapeutic Healing Support Group for survivors of historical sexual abuse/assault. **\$300.00** would supply the entire eight week session.

\$50.00: Prints 250 brochures that are distributed widely for educational and promotional purposes throughout Nova Scotia.

\$75.00: Provides Two weeks of phone book advertising for the Avalon Sexual Assault Nurse Examiner (SANE) Program Response Line phone number.

\$75.00: Would purchase 100 copies of one of our three posters that highlight the programs and services of Avalon Centre, create awareness about the SANE program, or promote sexual consent and sexual assault awareness and prevention.

\$100.00: Provides for the cost of printing/distributing over 500 ASK for sexual consent cards or stickers. Moving forward from the traditional “No Means No” campaign, the ASK campaign educates the community about the concept of sexual consent and creates awareness about alcohol and drug facilitated sexual violence in Nova Scotia.

\$2000.00: Supports the production and display costs of a Avalon Sexual Assault Centre street banner during Sexual Assault Awareness Month recognize every year in May. The banner will also be used for other public events. This is a great way to increase public awareness about Avalon Sexual Assault Centre as well as to mobilize the community to take action against sexual assault in our communities.

\$95.00: Would contribute to the cost of one hour of sexual assault trauma therapeutic counselling. Your financial support lets women know that they are not alone in their healing journey.

Donor’s Choice: All financial contributions of any amount are gratefully accepted. You can designate what you would like your donation to support.
